BLUE + CANVAS

AN INTEGRATION THAT DRIVES STUDENT ENGAGEMENT IN COURSE EVALUATIONS

WE ARE LEADERS IN CANVAS APPLICATIONS

Focused on helping institutions strengthen student engagement, we've developed a best-in-class integration that embeds Blue® course evaluations directly into the Canvas LMS. A more convenient course evaluation experience, students can seamlessly view, access, and complete forms without leaving their Canvas portal.

MULTIPLE ACCESS POINTS FOR STUDENTS TO COMPLETE EVALUATIONS

We're using LTI® integration with native Canvas functionalities to create a streamlined end-to-end user experience. Direct links will save students valuable time by taking them to course evaluations inside Canvas.
